

7th December news update for Counties Tennis

On the 3rd and 4th of December Counties hosted the North Island Primary Schools Tennis Championships at the Turners and Growers Tennis Centre here in Pukekohe. 16 Boys and 16 Girls competed in the Hard Court Singles competition, dodging heavy rain as they went. The Girls side was won by Paige Hourigan from Wanganui, and Pukekohe's Intermediates Kelly Drew was the runner up. The boy's event was won by Kyle Butters from Wanganui. Trent Smith from Pukekohe Intermediate was 5th in the boys event. Congratulations to both these local players.

To follow on with such high calibre of tennis the Counties Age group Champs was held over the weekend. Unfortunately some of our top juniors had Auckland Interclub commitments, but this enabled some new talent to emerge.
