

Hi Counties Squads!

Just a quick note to say that Term 1 Training Squads finished Monday 4th April.

What a crazy term but we have made it through! Massive thanks to Han and Mattia who have worked mostly with you this term as I have taken some time out.

Training will resume in Monday May 2nd May for 8 weeks. Training will stay on a Monday Note the training squads are quite full for next term and there will be a few people trialling for places. Please let me know asap if you are pulling out or it clashes with your winter sports.

Exciting news: We have been working with Mitre 10 and they agreed to sponsor the Counties training Squad shirts and tracksuit jackets for the current members of the Squads. These have arrived and look fantastic! You will be given to you at the start of training and are to be worn for practice and jackets for tournaments. These are on loan only and need to be returned if you leave or swapped once you outgrow your size.

REP MATCHES:

Obviously with the outbreak of Omicron we haven't been able to get away for any rep matches this season. We had tentatively booked a match against Northland in March but because of the outbreak in Auckland we decided to postpone it to a later date. I will be in touch with them and we may look at going up there in Term 2 for some match play.
