JUNE 2023 Term2

Hi Counties Players!

Half way through the year and another term nearly finished! It has been a great term seeing all the improvement and effort going in on the court with coach Mykel and myself!

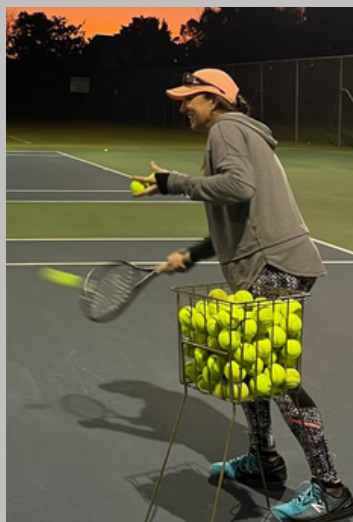

Term 3 is going to be exciting with us currently in talks with Waikato with a Rep match booked for the end of August down in Hamilton at their Indoor Centre. Something to aim for so keep that training up! In order to get some much needed match practice before we go down and compete, we will be implementing a Rivers Series played every two weeks at the Centre on a Sunday afternoon 2-4pm. Have a look at the below flyer and book the dates in! Even if you are not involved in training this term due to other sports feel free to join in the match play series. We will be taking our top 14, 12 and 10yr players. Counties training will resume in Term 3 on Monday July 17th. If you want some more practice/game play in the holidays we will be running a tennis Holiday Clinic on the first week 9-12pm. Email to book in. This is great pre practice if you are entering the Auckland tournament the following weekend!

Have a great holiday and look forward to seeing you in Term 3!
